

Howden Private Clients

Wealth protection redefined

You have worked hard to build your wealth,
we want to help you protect it.

At Howden Private Clients, our focus is to help protect individuals and families. Our approach is designed around you. We take complexity out of insurance by understanding your risk profile then designing an insurance portfolio that allows you the freedom to enjoy your lifestyle - all the while making sure your world is covered.

Our insurance and risk management services are expertly provided so you receive a high level of personal service, with assured confidentiality.

We take the time to understand your unique situation through a personal risk analysis and custom appraisals, before designing a price competitive, comprehensive and bespoke insurance solution.

Are you covered?

Take advantage of having a fresh-eyed approach to your personal insurance portfolio. We offer a no obligation health check, including a review of your current insurance portfolio for coverage suitability, structure optimisation and pricing competitiveness.
