This TMD is not intended to be a consumer facing disclosure document and does not form part of the terms of the Product.

Any information or examples given in the TMD must not be read as a complete list of eligibility or the standard terms and conditions and limitations that apply to the Product.

Clients must refer to the PDS, any associated insurer's policy wordings and documents to understand the terms and conditions of the Product. The PDS and the insurer's policy wording (including, if applicable, the insurer's product disclosure statement) are provided to clients through Family Day Care Australia Limited ABN 93 094 436 021, AFSL 329616 or other representatives appointed by us.

This TMD does not consider any person's individual needs, objectives or financial situation and does not provide financial product advice or recommendation on the cover.

The Product is designed to offer cover to clients whose likely needs, objectives and financial situation are aligned to those below.

Summary of key attributes of product and key likely needs, objectives and financial situation of target market they meet

This Product has been designed for consumers in the target market as set out below and has been established to help manage the member's (of the Trust) risks that they become legally liable to pay arising out of:

- personal injury;
- property damage;
- advertising injury;
- errors and omissions;
- criminal defence expenses;
- certain fines and penalties;
- commercial legal expenses;

- landlords cover;
- in home care and in venue care;
- fundraising events, fetes, excursions, training, playgroups;
- liability, defence costs or any other costs, fees or expense of whatsoever nature directly or indirectly caused by or arising out of the actual, alleged, attempted, threatened or proposed sexual or physical abuse or molestation, harassment or any other form of physical, or mental abuse of any person; or any other act of a sexual nature or any act undertaken with a sexual motive.

This Product is made up of two parts:

- the Trust cover. This is risk cover, but it is not insurance because the trustee has discretion as to whether or not to pay a claim and how much to pay; and
- the insurance cover, which is insurance. A member of the Trust has a third party beneficial interest in the insurance policy which is purchased by the trustee for the Trust and its members and is subject to the terms and conditions of the insurer's policy.

Who is our target market for the product?

To be eligible, a person must be **all** of the following:

- ✓ an incorporated body, person, company, trust or other legal entity who is entitled to be, but has not yet been, admitted as a member of the Trust; and
- ✓ a member of Family Day Care Australia Limited; and
- ✓ a contributing member of the Trust; and
- ✓ a person who meets the eligibility criteria for the issue (including new business, renewals and variations as applicable) of the Product that has been approved by us in writing.

Examples of who isn't in our target market

By way of example, if **any** of the following apply and at a very high level only, **a person won't be in the target market if they:**

- ✗ are not a member of Family Day Care Australia Limited; or
- ✗ do not meet the eligibility criteria for the issue (including new business, renewals and variations as applicable) of the Product that has been approved by us in writing; or
- ✗ want insurance protection only rather than discretionary cover in respect of the risks that they become legally liable to pay arising out of:
 - personal injury;
 - property damage;
 - advertising injury;
 - errors and omissions;
 - criminal defence expenses;
 - certain fines and penalties;
 - commercial legal expenses;
 - landlords cover;

- in home care and in venue care;
 - fundraising events, fetes, excursions, training, playgroups;
 - liability, defence costs or any other costs, fees or expense of whatsoever nature directly or indirectly caused by or arising out of the actual, alleged, attempted, threatened or proposed sexual or physical abuse or molestation, harassment or any other form of physical, or mental abuse of any person; or any other act of a sexual nature or any act undertaken with a sexual motive; or
- ✗ cannot afford the contributions or for whom the payment options are not suitable; or
 - ✗ want cover for higher limits than those offered through the Product.

Please note that although a person falls within our target market, this does not necessarily mean that the cover is right for their individual needs, objectives and financial situation. It is important that the person takes into consideration the PDS and other information provided by us as well as the insurer's policy wording and the insurer's product disclosure statement (and/or seeks professional advice) before making their decision.

product disclosure statement, the insurer's underwriting guidelines, pricing, or the number of products sold, including penetration rates; or

- any significant dealings that are inconsistent with the TMD, including those that reasonably suggest that it is no longer reasonable for us to conclude that if the cover were to be issued:
 - to a client in accordance with the distribution conditions, it would be likely that the client is in our target market; or
