- 4.2 The **Insurer** may, in its sole discretion, elect to discharge its liability to the **Insured** fully and finally in respect of any **Claim(s)** covered under this policy by either (a) paying the applicable limit of indemnity (less any sums previously paid) to the **Insured** or (b) paying a sum less than the limit of indemnity when the **Claim(s)** can be settled for such a lesser sum.

RELATED CLAIMS

- 4.4 Any **Claims** or **Losses** under all applicable sections of this policy, directly or indirectly arising out of or in any way connected with the same originating cause or event, will be deemed to be a single claim, reported at the date of the first such claim. Any **Claims** or **Losses** under all applicable sections of this policy, triggering more than one coverage section, will be deemed to be a single claim.

CLAIMS HANDLING AND NOTIFICATION

- 4.5 It is a condition precedent to the **Insurer's** liability that the **Insured** complies with each of the provisions of this clause 4.5. If the **Insured** fails to do so, the **Insurer** may (a) reject any claim for an indemnity under this policy; or, at its absolute discretion (b) elect to indemnify the **Insured** to the extent the **Insurer** would have been liable to pay in the absence of any prejudice in the handling or settlement of any **Claim** or notifiable circumstance under this policy which arises from the **Insured's** breach of condition precedent:
- 4.5.1. The **Insured** shall notify any **Claim, Loss, or Business Interruption Event** to the agreed incident response provider as detailed in Item 8 of the Schedule, as soon as reasonably practicable, but in no case later than 7 (seven) days after the **Insured** has become aware of such incident. If such notice is given, any **Claim** subsequently made against the **Insured** alleging, arising out of or in any way connected with such circumstances shall be deemed to have been made at the time such notice of circumstances was given by the **Insured** to the **Insurer**. The **Insured** shall provide such information and documentation relating to the notification as the **Insurer** may require in its sole discretion.

4.5.3 No **Insured** shall (expressly or impliedly) admit nor assume any liability, make a compromise, enter into any settlement agreement, waive any rights nor consent to any judgment in respect of any **Claim, Loss** or notifiable circumstances without the prior written consent of the **Insurer**, such consent not to be unreasonably withheld or delayed.

4.6 Subject to the **Insured's** compliance with the provisions of paragraph 4.5, the **Limit of Liability** and **Excess** set out in the Schedule to this policy, the **Insurer** agrees to advance **Defence Costs** on an on-going basis and prior to the final disposition of a **Claim**. The **Insured** agrees to refund all such **Defence Costs** should it be found that the **Claim** is not valid.

CHANGE OF CONTROL

4.7 If during the **Period of Insurance** any person, group or entity acquires control of more than 50% of the issued share capital of the **Policyholder** or of the composition of the board of the **Policyholder**, the cover provided by this policy shall be restricted so as to apply only to **Claims** in respect of a **Business Interruption Event(s), Data Liability Event(s)** or **Network Security Event(s)** occurring prior to the effective date of such sale, consolidation, merger or acquisition of control, unless the **Insurer** has agreed to extend coverage under the policy and the **Policyholder** has agreed to the terms of any such extension of coverage.

ASSIGNMENT

4.8 This policy and any rights under it cannot be assigned without the prior written consent of the **Insurer**.

CANCELLATION

4.9 The **Policyholder** may cancel this policy at any time by giving written notice to the **Insurer** and such cancellation being effective 10 business days after such notice is received by the **Insurer**. In such case, the **Insurer** shall refund any unearned premium calculated at pro-rata rate of the annual premium, except in the event of a **Claim** as defined having been notified prior to the date of cancellation whereupon no refund shall be due, unless agreed otherwise by the **Insurer**.

This policy may not be cancelled by the **Insurer** except for non-payment of the premium, upon expiry of a period of notice of not less than 21 days.

APPLICABLE LAW

4.10 This agreement and any dispute or claim between the **Insured** and the **Insurer** arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law set out in Item 9 of the Schedule. If any term of this agreement is to any extent invalid, illegal, or incapable of being

enforced, such term shall be excluded to the extent of such invalidity, illegality, or unenforceability and all other terms of this agreement shall remain in full force and effect.

ARBITRATION

4.11 All disputes arising out of or in connection with this agreement, or in respect of any legal relationship associated with or derived from this agreement, shall be resolved by arbitration. The seat of the arbitration will be as specified in item 10 of the Schedule.

DUTY OF FAIR PRESENTATION

4.12 Before this insurance contract (or any variation thereto) is entered into, the **Insured** must make a fair presentation of the risk to the **Insurer** in any application, proposal form or other information submitted to the **Insurer**. This means the **Insured** must:

4.12.1 disclose to the **Insurer** (i) every material circumstance which the **Insured** knows or ought to know or (ii) sufficient information to put a prudent insurer on notice that it needs to make further enquiries in order to reveal material circumstances. A matter is material if it would influence the judgement of a prudent insurer as to whether to accept the risk, or the terms of the insurance (including premium); and

4.12.2 make the disclosure in clause 4.12.1 above in a reasonably clear and accessible way; and

4.12.3 ensure that every material representation of fact is substantially correct, and that every material representation of expectation or belief is made in good faith.

4.13 If the **Insured** fails to comply with clause 4.12, the **Insurer** has the following remedies:

4.13.1 If the **Insured's** breach of the duty of fair presentation is deliberate or reckless, then (i) the Insurer may avoid the policy, and refuse to pay all claims; and (ii) the Insurer need not return any of the premiums paid.

4.13.2 If the **Insured's** breach of the duty of fair presentation is not deliberate or reckless, then the Insurer's remedy will depend on what the Insurer would have done if the Insured had complied with the duty of fair presentation:

4.13.2.1 If the Insurer would not have entered into the contract at all, the Insurer may avoid the contract and refuse all claims, but must return the premiums paid.

4.13.2.2 If the Insurer would have entered into the contract, but on different terms (other than terms relating to the premium), the contract is to be treated as if it had been entered into on those different terms from the outset, if the Insurer so requires.

4.13.2.3 If the Insurer would have entered into the contract, but would have charged a higher premium, the Insurer may reduce proportionately the amount to be paid on a claim (and, if applicable, the amount already paid on prior claims).

INDEMNITY AND SETTLEMENT

4.14 The Insurer has the right but not the duty to assume control, defence and settlement of any **Claim** or investigation. At any stage of a **Claim** the **Insurer** may choose to pay the **Limit of Liability** or any amount that remains following any earlier payment(s).

4.15 The **Insurer** shall have the right to make an investigation it deems necessary including, without limitation, any investigation with respect to the Application and statements made in connection with the procurement of the policy and with respect to coverage.

4.16 With respect to any **Claim**, if the **Insured** refuses to consent to a settlement the **Insurer** recommends and the claimant will accept, the **Insured** may continue the defense and investigation of that **Claim**. However, the further costs and expenses incurred will be paid by the **Insured** and the **Insurer** on a proportional basis, with 25% payable by the **Insurer** and 75% payable by the **Insured**.

WARRANTIES - USE OF FIREWALL, ANTI-VIRUS, BACK UP OF DATA, PCI COMPLIANCE, DATA STORAGE AND PORTABLE MEDIA

4.17 The **Insured** warrants as follows:

4.17.1 The **Insured** will deploy and maintain commercial grade anti-virus and firewall across the **Insured's Computer System**.

4.17.2 The **Insured**, or the **Insured's Cloud Service Provider**, will back-up critical data at least every 7 days. Where such data is copied to portable media, such portable media will be secured off-site.

4.17.3 The **Insurer's** liability for a **Loss**, suffered by the **Insured** under insuring clause 1.4 (**PCI Fines and Assessment Costs**), is conditional on the **Insured** being compliant with the relevant Payment Card Industry Data Security Standard in relation to all circumstances leading up to the **Loss**.

4.17.4 The **Insured** shall encrypt or tokenise all third party non-public data or information for which the **Insured** is legally liable.

4.17.5 The **Insured** shall password protect all portable media, including but not limited to smartphones and memory sticks.

4.18 If the **Insured** breaches any warranty under clause 4.17, the **Insurer's** liability under this policy shall be suspended from the time of the breach until the time when the breach is remedied (if it is capable of being remedied). The **Insurer** will have no liability to the **Insured** for any loss which occurs, or which is attributable to something happening, during the period when the **Insurer's** liability is suspended. If the **Insured's** breach of warranty leads to prejudice to the **Insurer**, the **Insurer** may at its absolute discretion elect instead to indemnify the **Insured** to the extent the **Insurer** would have been liable to pay in the absence of such prejudice, notwithstanding any suspension of cover.

SUBROGATION

4.19 If the **Insurer** makes any payment under this Policy and there is available to the **Insurer** any of the **Insured's** rights of recovery against any third party, then the **Insurer** shall maintain all such rights of recovery. The **Insured** shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. This includes, but is not limited to, placing any third party on notice of any rights the **Insured** or the **Insurer** may have against it. The **Insured** shall do nothing to prejudice such rights. Any recoveries shall be first applied to subrogation expenses, second to any amounts paid or reimbursed by the **Insurer** under the Policy, and third to the **Retention** set out in Item 4. Any additional amounts shall be paid to the **Insured**.

INCIDENT RESPONSE PANEL

4.20 The **Insurer** has the right to appoint any counsel, advisor, specialist incident response provider or other provider to investigate or assist the **Insured** with any **Claim, Business Interruption Event, Cyber Event, Data Liability Event, Media Liability Event or Network Security Event**. The Insured shall co-operate with the **Insurer** and any counsel, advisor, specialist incident response provider or other provider to investigate or assist the **Insured**. The **Insured** must not under any circumstances appoint its own counsel, advisor, specialist incident response provider or other provider to investigate or assist the **Insured** with any covered event.
