- Notes:**
- 1.) Data is based from patients accommodation in standard wards and undergoing a single procedure.
 - 2.) Doctor's Fee includes; anaesthetist's fee, surgeon's operation and ward round fee, etc.
 - 3.) Hospital charges include admission service, accommodation, operation theatre room charges, use of equipment and associated materials, nursing procedures, investigation and examination fees, medication and injection fees, treatment and associated materials, meals and beverage, sundries, etc.
 - 4.) All information should be used for reference only. The actual Hospital bill charges may be higher or lower than the reference figures.
 - 5.) The figure in the 50th percentile means half of the patients paid a bill size less than or equivalent to this amount. This figure provides a reference to an estimate of the median bill size for patients.
 - 6.) The figure in the 90th percentile of charges means 90% of the patients paid a bill size less than or equivalent to this amount, and the remaining 10% of the patients paid more than this amount. This figure provides a reference to an estimate of the upper range of bill sizes for patients.

Disclaimer:
1.) All information above is provided by private hospitals and is for reference only.
