Personal injury claim form

Summary of insurance cover

What is covered?

The Netball Australia National Risk Protection Insurance Personal Accident Insurance Program, which extends to cover Netball ACT, Netball NSW, Netball NT, Netball QLD, Netball SA, Netball TAS, Netball VIC and Netball WA, provides cover for a number of policy benefits. Please refer to the Howden Netball Insurance Centre website to view the Product Disclosure Statement with full terms and conditions.

The most commonly claimed sections of the Netball Australia Personal Accident policy are reimbursement of Non-Medicare medical expenses and Loss of Income cover.

Important Information

The Health Insurance Act (Cth) 1973 is Federal Government Legislation which does not permit the insurer to contribute to any charges covered, or partially covered by Medicare. Sometimes, your Doctor, specialist or surgeon may charge more than the Medicare rebate, which may leave you with out of pocket expenses. This is commonly called the "Medicare Gap". The Medicare Gap is not covered by the Netball Australia Insurance Program due to Government Legislation.

Please refer to the table below for some common examples:

Non-Medicare medical Items; claimable as per the Personal Accident Policy wording	Items covered by Medicare; not claimable through the Personal Accident Policy
Ambulance	Doctor
Physiotherapist	Public Hospitals
Dental	Surgeon & Surgeon's Assistant
Private Hospital Accommodation	X-Rays
Chiropractor	Anesthetist
MRI Scans*	MRI Scans*

*MRI scans are generally covered through Medicare; however please check with your treating physician, as sometimes the provider is not registered with Medicare.

What are the policy benefits for Non-Medicare Medical and Loss of Income

The following table outlines the policy benefits applicable for Non-Medicare Medical and Loss of Income under the Netball Australia Insurance Program;

Non-Medicare Medical	Benefit

Loss of Income	Benefit
<p>If as a result of your injury you are prevented from working in your occupation a Loss of Income benefit may apply.</p>	<p>85% reimbursement up to a maximum of \$250 per week (except Netball WA which is \$300 per week) (members / players).</p> <ul style="list-style-type: none"> • Higher limits apply for officials/volunteers. • 14 day excess, 104 week benefit period.

How to make a claim

Dear Netball Australia member,

A Personal Accident Claim Form (Claim Form) is attached at page 5. Before lodging the Claim Form, please ensure all sections are fully completed. Failure to complete all sections of the Claim Form properly may delay settlement of your claim.

1. Only one Claim Form (per injury) is required. A Claim Form should be completed and submitted as soon as you become aware that you will be making a claim. You do not have to wait until after you have completed treatment for your injury to lodge your Claim Form.
2. Please ensure that you fully complete pages 5 & 6 and sign and date the declaration.
3. Please ensure that your association/club official completes and signs the association/club declaration on page 5.
4. If you intend to claim for Loss of Income:
 - a) You and your employer/salary office must complete page 8. If self-employed your accountant must complete these details;
 - b) You must complete the Tax File Declaration form on page 9. If you are employed and pay tax on the income you earn (known as PAYE), the Australian Tax Office (ATO) requires tax to be deducted from any income that is paid to you. Personal Accident Loss of Income benefits are viewed as income earned. This declaration will be forwarded to the ATO on your behalf so that they have a record of the benefits paid to you as part of your entitlements under the Personal Accident Policy.
 - c) Have your attending physician or physiotherapist complete the page titled "Doctor's Statement" on page 11.
 - d) Provide medical certificate/s from your treating medical practitioner stating your medical condition and period of incapacity. Backdated certificates will not be accepted, and certification must stipulate a to and from date.
 - e) Wage report/payslips covering the preceding 12 months from the date of your Incapacity showing working hours and wage received.
 - f) Ongoing payslips gained from any light or alternative duties you have performed after your date of incapacity.
5. For claims involving Non-Medicare medical expenses:
 - a) Medical treatment must be certified necessary by an attending physician and incurred within Australia (an attending physician includes a general practitioner, physiotherapist, chiropractor, dentist).
 - b) Have your attending physician complete the "Attending Physician" statement on page 11.
6. Please attach all original receipts (unless retained by your health fund). Hospital claims must be accompanied by an itemised receipt. If treatment is covered by your Private Health Fund, please send their rebate advice with a copy of the relevant account.

Please note: No cover is provided for surgeons, anaesthetists, doctors, x-rays or other accounts which are partly covered by Medicare. The Australian Health Insurance Act does not permit the insurer to contribute to any charges covered by Medicare (including the Medicare Gap).

The insurer will pay a percentage of the amount, as indicated in the Policy schedule, for private hospital bed and theatre fees, dental, ambulance (if not otherwise covered), chiropractic, physiotherapy, osteopath, naturopath, massage and pay for orthotics prescribed by a surgeon to aid recovery.

Subject to the Insurance Contracts Act 1984 any treatment rendered necessary by injury must be completed within 12 calendar months from the date of such injury occurring.

7. Once you have fully completed all sections of the Claim Form, please have your association/club complete and sign page 5 and confirm your injury occurred during a sanctioned activity.
8. Please forward the entire form with supporting documentation to N2N Claim Solutions. They handle all claims for the insurer. Their contact details are as follows;
