You must keep adequate records and details of any accidents or **occurrence** that may lead to a claim under this Master Policy and maintain those records during a claim.

Discharge of Liability

We may at any time pay to **you** the **limit of liability** or any lesser sums for which any claim or claims can be settled. If **we** do that **we** will not be under any further obligation, other than the payment of costs and expenses of litigation incurred before we made that payment.

In the event of a claim or series of claims resulting in **your** liability to pay a sum above the **limit of liability** then **we** will only cover those costs and expenses in the same proportion as **our** payment to **you** bears to the total payment made by or on **your** behalf in settlement of the claim or claims.

Subrogation

We may take any action **we** consider necessary to enforce **your** rights and **our** rights under the Master Policy. Under the Master Policy **we** will be entitled to all **your** rights and remedies against any party and will be allowed to sue in **your** name at **our** own expense, either before or after any payment is made by **us** under the Master Policy.

Fraud

If **you** make a fraudulent claim under the Master Policy, **we**:

- a) are not liable to pay the claim; and
- b) may recover from **you** any sums paid by **us** to **you** in respect of the claim; and
- c) may by notice to **you** treat **your** cover as having been terminated with effect from the time of the fraudulent act.

If **we** exercise **our** rights under c) above:

1. **we** will not be liable to **you** in respect of a relevant event occurring after the time of the fraudulent act. A relevant event is whatever gives rise to **our** liability under this Master Policy,

for example the occurrence of a loss, the making of a claim, or the notification of a potential claim; and

2. **we** do not have to return any of the premium paid.

This condition will only apply to **you** as an individual and not the entire group if the fraud was committed by **you** and not the **Master Policy Holder**.

General Conditions

The following conditions apply and **you** must comply with these conditions to have the full benefit of this Master Policy and explained in this Members' Summary.

Comply with Policy Terms

You must observe and comply with all the terms of this Master Policy, and explained in this Members' Summary, including anything to be done or complied with, before being able to benefit under this Master Policy and Members' Summary.

This condition also applies to any person granted cover under any Extensions within the Policy Cover sections.

Excess

No claim will be paid until the applicable **excess** for that claim has been paid to and received by **us**.

Non-Contribution Clause

If any claim covered by this Master Policy is also covered in whole or in part by any other insurance, **our** liability will only apply as excess of, and not as contributory with, that other insurance.

Cancellation

The **Master Policy Holder** can cancel this insurance at any time.

You can cancel this insurance by ending **your** membership with British Carriagedriving.

We can cancel this insurance by giving the **Master Policy Holder** thirty (30) days' notice in writing. **We** will only do this for a valid reason (examples of valid reasons are as follows):

- non-payment of **premium**;
- a change in risk occurring which means that **we** can no longer provide **you** with insurance cover;
- non-cooperation or failure to supply any information or documentation **we** request;
- threatening or abusive behaviour or the use of threatening or abusive language to **us** or to Howden.

Precautions and Reasonable Care

You must take all reasonable precautions:

- (a) for the safety of and to avoid, prevent or minimise any damage to **property**; and
- (b) for the safety of and to avoid, prevent or minimise any **injury** to others

which might give rise to a claim under this Master Policy.

You must also:

- (a) comply with all statutory and other obligations and regulations imposed by any authority;
- (b) exercise reasonable care in the selection and supervision of any **person employed**, as well as any **horse groom** or **professional groom**, and in the employment of competent staff.

Termination of Membership

Termination of **your** membership of British Carriagedriving from any cause will similarly terminate cover under this Master Policy from the same date.

Cross Liabilities

We will treat each **Associate Member**, **Full Member**, or **International Member** of British Carriagedriving and each **Affiliated Club Member** as though a separate Insurance had been issued to each of them. Nothing in this Condition increases the **limit of liability**.

Sanctions Notice

It is a condition of this **policy**, and **you** agree, that the provision of any cover, the payment of any claim and the provision of any benefit hereunder shall be suspended, to the extent that the provision of such cover, payment of such claim or provision of such benefit by **us** would expose **us** to any sanction, prohibition or restriction under any:

- (a) United Nations' resolution(s); or
- (b) the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

Such suspension shall continue until such time as **we** would no longer be exposed to any such sanction, prohibition or restriction.

Contracts (Rights of Third Parties) Act 1999 Clarification Clause

A person who is not a party to this contract has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this contract but this does not affect any right of remedy of a third party which exists or is available apart from that Act.
